Shri Bhuria also apprised him of the Prime Minister's concern over the issue and said that the Centre is convening a meeting of the State Chief Ministers in early November to review the implementation of Forest Rights Act and to resolve the problems being faced by the States in expeditious implementation of this law which aims at benefitting the tribal population across the country.

The Chief Minister requested for inclusion of some communities in the S.T. list of the State and financial assistance for ST Girls Hostels, increase in amount of Post Matric Scholarship etc. Shri Bhuria informed that the proposals will be examined by his Ministry and decision would be taken expeditiously. Shri Bhuria also informed that a sum of Rs. 64.26 Crore has been released by the Ministry to the State of Orissa on 22nd of this month based on the proposals of the State Government.
