	<p>15) <u>Problems/Remarks:</u></p> <p>State Govt. has informed that though they have constituted the SDLC, DLC and SLMC under the Act but unlike the other States where the STs and other traditional forest dwellers are in minority, Arunachal Pradesh is wholly domiciled by various ethnic tribal groups whose land and forests are specifically identified with natural boundaries of hillocks, ranges, rivers and tributaries. Barring few pockets of land under wildlife sanctuaries, reserved forests, most of the land in entire State is community land. Territorial boundaries of land and forest belonging to different communities or tribes are also identified in the same line leaving no scope for any dispute over the possession of land, forest and water bodies among the tribes. Therefore, Forest Rights Act does not have much relevance in Arunachal Pradesh.</p>	-
