Sir,

As presented and discussed during the District Level Committee meeting held on 26<sup>th</sup> November 2015 regarding post claim support to right holders, there is a provision mentioned in the Forest Rights Act Rule(16) about the post claim support to forest rights holders for strengthening their livelihood. A pilot process has been initiated in Jamjhari G.P of Phulbani Block. Gram Sabha of Madikhole village has been prepared and Gramsabha based convergence plan under Forest Rights Act proposing the following interventions for strengthening their livelihood has been prepared.

- Land development in IFR lands (for agriculture/cultivations, zinger & turmeric).
- Irrigation facility.
- Bamboo and hill broom in CFR areas.
- Training through MGNREGS for protecting the forest from fire.
- NTFP collections storage house and processing along with market facility.
- Kitchen garden in their agricultural land.

Therefore, it is to request all the concerned line departments to take necessary actions and provide necessary support to finalize and execute this community based convergence plan and submit the same to PA,ITDA,Phulbani by 31<sup>st</sup> January,2016 for subsequent review.

Yours faithfully,

  
Collector & Dist. Magistrate,  
Kandhamal, Phulbani.
