PROCESS OF CLAIM VERIFICATION

1. What is Verification?

Section 6 (1) of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006 empowers the Gram Sabha/Palli Sabha to initiate the process for determining the nature and extent of individual and community forest rights of the forest dwelling scheduled tribes and other traditional forest dwellers by receiving claims, consolidating and verifying them and preparing map delineating the area of each recommended claim.

The process of verification of claims is dealt with in Section 11 (2)(iv) and 12 of the Scheduled Tribes and Other Traditional Forest Dwellers (Recognition of Forest Rights) Rules 2007. According to this provision the Forest Rights Committee is required to initiate the process of verification of claims on individual and community forest rights mentioned in Section 3 of the Scheduled Tribes and Other Traditional forest dwellers (Recognition of Forest Rights) Act, 2006.

2. Who will do the verification?

The Forest Rights Committee, constituted by Gram Sabha/Palli Sabha, is responsible for initiating the process of verification of claims on behalf of Gram Sabha/Palli Sabha after due intimation to the concerned claimants and the Forest Department. If a member of the FRC is also a claimant then during the time of verification he/she shall inform the committee and shall not participate in the verification process.

3. When will the verification start?

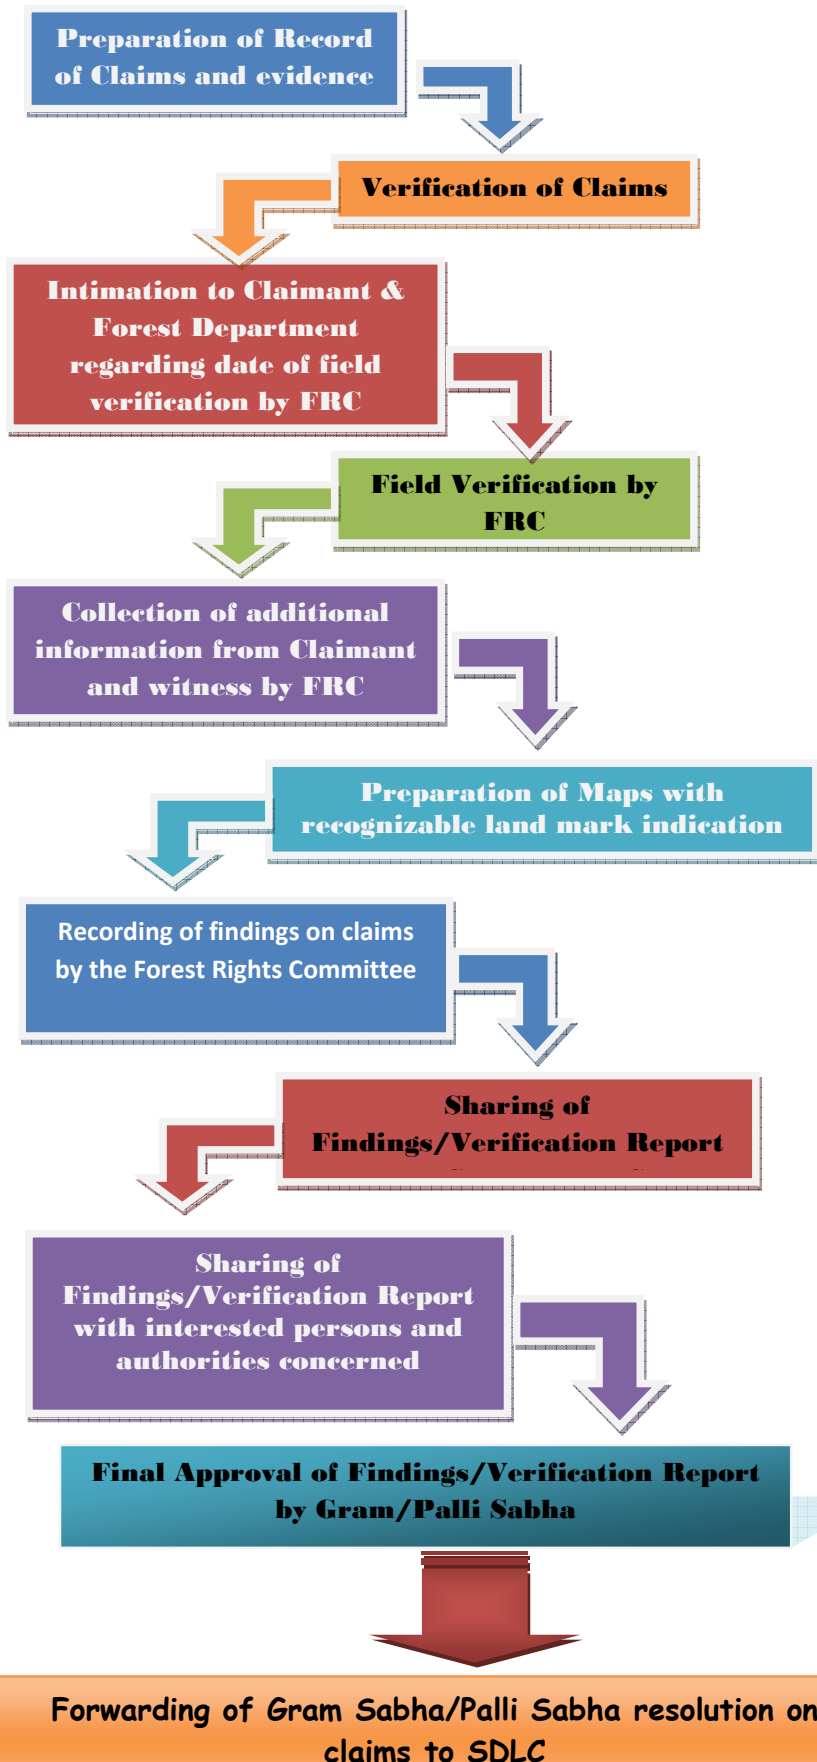

The process of verification by Forest Rights Committee starts after submission of claims on forest rights at Forest Rights Committee and preparation of record of claims and list of claimants by the FRC.
